Government Video Expo

December 1-3, 2009

Walter E Washington Convention Center

Washington, DC

www.gvexpo.com

A NEW YEAR. A NEW ADMINISTRATION. A NEW GV EXPO.

Now in its 12th year, the Government Video Expo promises to provide thousands of video and broadcast professionals from a variety of sectors with unmatched opportunities to improve their craft through classroom-style education, hands-on experience with the latest gear, and valuable networking events. GV Expo addresses the issues within this fast-paced video marketplace and the show floor highlights every product and service you are searching for!
